Subject: Draft Agency Coordination Meeting Agenda Tuesday July 9th
[Draft Agenda Fish Agency Coordination 2013 07 09.doc](#)

Hi Larry,

Attached is my shot at a draft agenda for our regularly scheduled meeting between the agencies next week. I'm suggesting that we move the meeting up to 1:00 (from our regular 3:00 time) so that it's easier for me to come up to Sacramento for this. I believe our main issue will be the Phase I coordination that you and I have been trying to get together on, although there may be a decent discussion of the SJTSP and we should make sure we update folks on the up-coming workshops. Can you look at the draft and give me your thoughts?

For those on the cc list: are you okay with a 1:00 - 4:00 meeting next week instead of the 3:00 – 5:00 meeting? (if not, can we start at 2:00?). I'm hoping for more like a 2 hour meeting, but wanted to give us 3 in case we have a great discussion. Please take a look at the draft and let me know if I missed something. Also, I'm hoping to have a meeting room for this so that we meet in person.

Thanks,

John M. Shelton
